

**Dr. med. Sanja Toljan** is a specialist in anesthesiology, resuscitation and intensive care.

Born in 1964 in Vinkovci.

Graduated from the Faculty of Medicine at the University of Zagreb in 1988.

During her specialization in anesthesiology she resides at Yale New Haven Hospital (USA).

She completed her specialization in preventive and anti-age medicine with Dr. Thierry Herogh, one of the world's most famous experts in hormonal balance, bioidentical hormone treatment and preventive medicine.

Founded the Orlando Clinic in 2004 Dr Toljan is recognized as one of the leading experts in the field of hormonal disorders and treatment with bioidentical hormones. To help balance hormones naturally, she has created a series of hormone balancing products based on adaptogenic herbs and micronutrients.

She is the author of the bestselling book "The Wonderful Power of Hormones", "Women in Hormonal Balance" and "Men in Hormonal Balance".

Dr Toljan is one of the first experts in the region to introduce bioidentical hormone therapy as an alternative to conventional treatment for hormonal changes.
